## FALL FOLIAGE TRAIN EXCURSIONS REPORT

The Lehigh Valley Railroad Historical Society, in cooperation with the Finger Lakes Railway, sponsored fall foliage train excursions over the former New York Central Railroad "Auburn Road" branch line between Shortsville, New York, and Geneva, New York, on Saturday, October 12, 2019. Three passenger train excursions were operated from Shortsville to Geneva and return over the Finger Lakes Railway using two diesel locomotives and three passenger coaches. Each train ride lasted two hours and was a 30 mile round trip. Departure times were 10:00 a.m., 12:30 p.m., and 3:00 p.m.

A total of 380 passengers rode the trains. Thank you to all of the passengers who rode our train excursions. We appreciate your patronage!

Paid ads were placed in the Daily Messenger, the Finger Lakes Times, and the Genesee Valley Pennysaver. News releases were published in the Daily Messenger, the Finger Lakes Times, and on various websites. The excursions were featured on the John Kucko Digital Facebook page.

The Society freight station museum was open to passengers during the excursions. Sales at the gift shop were very good. The food concession operated by Boy Scout Troop # 39 did a brisk business before and after each of the three trips. Special thanks to Joe Dickson and Jack Tuttle for cleaning the station before the excursions.

Thank you to all of the Society members who assisted with the excursions in one way or another. Thanks to Deb Halderman for arranging newspaper ads and handling tickets at the museum. Thanks to Bev Halderman for handling the advance ticket sales, phone messages, and volunteering in the gift shop. Thanks to Ken May for handling the social media promotion of the event. Thanks to Dick Coffey, Joe Colasacco, Joe Dickson, and Jack Tuttle for volunteering as parking lot attendants. Thanks to Dave Halderman and Tom Monnat for volunteering as guest conductors.

## DANNY ARMITAGE RAILROAD HISTORY PROGRAM

A railroad history program was presented by Danny Armitage of Marathon at the LVRRHS station museum open house on Sunday, October 20, 2019. The free program was titled "The Kid from Freeville - Growing Up on the Railroad." His program of lecture and slides covered the people and operations of the Lehigh Valley Railroad from a very unique perspective.

Danny grew up in Freeville where two branch lines of the Lehigh Valley Railroad crossed. From the age of 5, he hung out at the freight station behind his house getting to know all of the trainmen. This led to an unusual childhood of literally growing up on the railroad. From 1963 until

the mid-1980s, he rode the locomotives and cabooses over 400 times and was accepted by the crews as one of their own.

Danny resided in the Ovid area for 26 years and worked at the Willard Psychiatric Center and Willard Drug Treatment Center for 30 years. This afforded him time to study both the Willard Asylum and Seneca Army Depot railroads. He now resides in Marathon with his wife Joan Portzline.

Thank you to Bev and Deb Halderman for providing refreshments for the event.

## **2019 STATION MUSEUM OPEN HOUSES**

Thanks to the LVRRHS members who volunteered at the open houses.

## **LEHIGH VALLEY RAILROAD MEMORIAL NIGHT**

The Lehigh Valley Railroad Historical Society hosted the 43rd annual Lehigh Valley Railroad Memorial Night at our station museum on the evening of Saturday, April 13, 2019. The free event was a celebration of the history of the Lehigh Valley Railroad with a program of slides, movies, photographs, and discussions. Around 50 people attended the event.

Devan Lawton showed two Super 8 movies that he filmed at various locations along the LV main line from Buffalo to Sayre between 1974 and 1976. Richard Pearson gave a slide presentation about the LV Naples Branch. Thanks to everyone who participated in this year's special event.

Dick Coffey arranged donations of two sheet pizzas from Mark's Pizzeria; a sub tray, a wrap tray, and bottled water from Wegmans; and a cookie tray from Bliss' Market. Deb and Bev Halderman donated coffee and potato chips.

Lehigh Valley Railroad Memorial Night was hosted by Guil Mack of Phelps at his home from 1977 to 2016. The Lehigh Valley Railroad Historical Society was pleased to continue the tradition. Guil Mack gave tours of his HO scale model railroad layout at his home on the afternoon of Saturday, April 13.
