NEW SIGN COMING TO THE MUSEUM

The Society is currently working with Ewing Graphics in Farmington, NY, to provide and install a 36" by 60" exterior sign to be placed on the lawn near the museum deck. Our hope is that the sign will be installed prior to the Fall Foliage Excursions. The sign will have our logo and website address, as well as a smaller hanging sign to indicate when the museum is open. A photo should be available for the next newsletter.
